

# PATTERN MAKING WITH PATTERNMAKER CONTENTS

---

## INTRODUCTION

[How to use this tutorial](#)

[Software](#)

[Adobe Acrobat Reader](#)

## 1. GETTING STARTED

[PatternMaker website](#)

[Download and installation](#)

[Registration](#)

[Explore PatternMaker](#)

[Running a macro](#)

[Printing](#)

[The move tool](#)

[Changing screen defaults](#)

[Macro practice](#)

## 2. DART MANIPULATION

[Rotate darts around the bust apex](#)

[Review guidelines for dart manipulation](#)

[Create multiple darts](#)

[Add darts as a style feature](#)

[Use curved darts as a design feature](#)

[Practice dart manipulation](#)

## 3. MANIPULATE FULLNESS

[Adding gathers](#)

[Creating a yoke](#)

[Create a variation using gathers](#)

[Slash and spread practice](#)

## 4. THE PRINCESS SEAM BODICE

[The basic princess bodice](#)

[Variations of the princess bodice](#)

[A basic bustier](#)

[Princess seam practice](#)

## 5. PATTERN MAKING CONVENTIONS

[Terms you should know](#)

[Notations](#)

[Notches and balance marks](#)

[Truing the bodice in PatternMaker](#)

[Truing practice](#)

---

## 6. ANALYZING A DESIGN

Analyzing the design

Creating the yoke

Dividing the darts

Creating the neckline

Creating the back

Notations and seam allowances

Practice interpreting a design

## 7. CREATING A GARMENT

Measurements: Front

Measurements: BAck

Measurements: Sleeve

Adding ease

Creating a measurement table

Button closures

Facings

## 8. FITTING A GARMENT

Creating a mock-up

Fitting the mock-up

Correcting the pattern

Fitting solutions

## 9. ADVANCED FEATURES FOR THE PROFESSIONAL STUDIO

Trace a background image

Change scale (height and width)

Resize (height and width independently)

Import a scanned image

Convert your pattern to a macro

## 10. RESOURCES

Books

Periodicals
